

SHOW GUNN

EXHIBITION CHEER: AGES 4-10

Exhibition Cheer is a half year show team that begins in January and ends in March. Athletes need to be enrolled in a tumbling class prior to tryouts! These teams are for athletes who are new to cheer, need less of a commitment, want to travel less, or are still mastering their performance skills. It is a half year team that starts in January and attends 3 competitions. Our goal is to introduce cheer to our half year show teams and help them find their confidence on the mat while building a love and understanding of cheer. Practices are once a week on Sundays for 1.5 hours. During tryouts, we will stretch, jump, stunt and tumble. We are looking for willingness to learn and follow directions.
